

A RESOLUTION

Requesting the Community College of Micronesia to establish an advanced level training program for secretaries, clerks and stenographers.

1 WHEREAS, the then Congress of Micronesia, upon its relocation from
2 Saipan to Ponape, experienced difficulties in finding fully qualified
3 secretaries, clerks and stenographers; and

4 WHEREAS, the transfer of many of the functions of the Trust Territory
5 Government to the Federated States of Micronesia Government, in combination
6 with the establishment of the various State Governments, will place ever
7 greater demands on the small pool of fully qualified secretaries, clerks and
8 stenographers available within the Federated States of Micronesia; and

9 WHEREAS, it is the sense of the Congress that the requirements of the
10 Federated States of Micronesia Government with respect to secretaries,
11 clerks and stenographers could be fully met if an advanced level training
12 program was available within the Federated States of Micronesia to teach
13 the skills required by the Government; now, therefore,

14 BE IT RESOLVED by the First Congress of the Federated States of
15 Micronesia, First Regular Session, 1979 that the Community College of
16 Micronesia be requested to establish an advanced level training program
17 for secretaries, clerks and stenographers to impart those skills required
18 for the efficient operation of the Federated States of Micronesia Government;
19 and

20 BE IT FURTHER RESOLVED that certified copies of this Resolution be
21 transmitted to the President of the Federated States of Micronesia, the
22 Speaker of the Congress of the Federated States of Micronesia, the Governors

1 and Legislatures of the States of the Federated States of Micronesia, the
2 Rector of the Board of Regents of the College of Micronesia and the President
3 of the Community College of Micronesia.
