A RESOLUTION

Revoking the declaration of a state of emergency issued by the President of the Federated States of Micronesia on May 23, 2011.

WHEREAS, on May 23, 2011, the President of the Federated States of Micronesia declared a state of emergency to provide the authority to reprogram funds to support the operation of the Program Management Unit under the Department of Transportation, Communication and Infrastructure; and

WHEREAS, Congress finds that the President has failed to establish, pursuant to article X, section 9, of the Constitution, that the declaration of a state of emergency is necessary to preserve public peace, health, or safety, at a time of extreme emergency caused by civil disturbance, natural disaster, or immediate threat of war, or insurrection; and

WHEREAS, Congress finds that the present situation does not rise to the level of an extreme emergency caused by disaster and requiring a state of emergency to preserve public peace, health, or safety pursuant to title 41, section 705, of the Code of the Federated States of Micronesia; now, therefore,

BE IT RESOLVED by the Seventeenth Congress of the Federated States of Micronesia, First Regular Session, 2011, that pursuant to the authority vested in the Congress under article X, section 9 of the Constitution, the declaration of a state of emergency issued on May 23, 2011, is hereby revoked; and
BE IT FURTHER RESOLVED that a certified copy of this Resolution be transmitted to the President of the Federated States of Micronesia.
