Each trustee shall serve for a term of four years or until a successor is appointed, provided, however, that two of the trustees on the initial board shall be appointed to two-year terms. The Board shall
elect a chairman from among its own members.

(2) All powers of the Fund shall be vested in and exercisable by the Board.

"Section 1217. Other participating government accounts.

(1) There are hereby created State sub-accounts, including A and B sub-accounts, for each of the States of the Federated States of Micronesia.

(2) Any donor, including the State and National governments may make contributions to a State sub-account or sub-accounts.

(3) National Government contributions to State sub-accounts shall only be to the long-term, A sub-account of that State or States.

(4) Contributions to a State sub-account made by the National Government shall remain the property of the National Government, with the relevant State being the beneficiary of the proceeds subject to the conditions of the A account. In the event the corpus of the A sub-account is withdrawn or disbursed for any reason other than to cover administrative or operating expenses or other requirements of section 1213, or is to be transferred into another Long-Term Trust Account created by the National Government, then the contribution shall
be reimbursed to the National Government. Contributions may be made to the Fund for the benefit of other participating governments in the FSM, in which case the Board shall establish separate A, B and S Accounts within the Fund in the name of each such government. Such accounts shall be subject to this chapter and administered in the same manner as the National Government A, B and S Accounts except that distributable funds or assets shall be made available to the other participating governments rather than the National Government.

(5) Fund expenses shall be prorated between the accounts of different governments in proportion to their relative share of the total Fund."
