A RESOLUTION

Expressing the disappointment of the Congress of the Federated States of Micronesia with recent positions taken by friends and allies in international forums with respect to climate change.

1           WHEREAS, the FSM believes climate change is an existential  
2 matter that impacts the survival of the Nation; and

3           WHEREAS, the government and Congress of the FSM have  
4 endeavored to put climate change at the forefront of debates in all  
5 international forums they attended; and

6           WHEREAS, at the recent IPU general assembly in Belgrade,  
7 Serbia, an emergency resolution was introduced asking all  
8 parliaments in the world to prioritize climate change; and

9           WHEREAS, the resolution was not supported by a large number  
10 of the FSM's friends and allies; and

11           WHEREAS, the FSM's closest friend and ally has formally  
12 indicated that it is leaving the Paris Agreement on Climate Change;  
13 now, therefore,

14           BE IT RESOLVED, that the Congress of the FSM expresses its  
15 profound disappointment in the attitude and positions of its  
16 friends and allies in international forums and with respect to the  
17 main international agreement concerning climate change; and

18           BE IT FURTHER RESOLVED, that the Congress of the FSM invites  
19 its friends and allies to give climate change the priority that
