Respectfully requesting the United States Department of the Interior and the United States Congress to continue funding capital improvement projects in the Federated States of Micronesia beyond fiscal year 1984.

2 of physical facilities for meaningful economic development; and

3 WHEREAS, development of such infrastructure has continually been
4 funded under the capital improvement projects but is still inadequate;
5 and

6 WHEREAS, under a 5-year plan, funding for capital improvement
7 projects may be discontinued in fiscal year 1984; and

11 WHEREAS, it is the sense of the Third Congress of the Federated
12 States of Micronesia that for meaningful economic development the United
