A RESOLUTION

Urging the President, the Secretary of Finance, the Attorney General, and the Chief of the Revenue Division to take the action necessary for the expeditious assessment and collection of all taxes due the Government of the Federated States of Micronesia.

1. WHEREAS, the President has submitted to the Congress for consideration a bill which will increase tax rates; and
2. WHEREAS, a recent study on revenue and taxation revealed that a relatively substantial sum of money from taxes due the Government of the Federated States of Micronesia has not been collected; and
3. WHEREAS, the study also indicated that very little action, if any, has been taken to enforce collection; and
4. WHEREAS, a complete roster of businesses which should be paying taxes has yet to be compiled by the Revenue Division; and
5. WHEREAS, it is the sense of the Congress that it may not be justifiable to increase tax rates until all revenues due the Government of the Federated States of Micronesia have been collected; now, therefore,
6. BE IT RESOLVED by the Third Congress of the Federated States of Micronesia, Second Special Session, 1984, that the Congress urges the President, the Secretary of Finance, the Attorney General, and the Chief of the Revenue Division to take the action necessary for the expeditious assessment and collection of all taxes due the Government of the Federated States of Micronesia; and
7. BE IT FURTHER RESOLVED that certified copies of this resolution be transmitted to the President, the Secretary of Finance, the Attorney General, and the Chief of the Revenue Division of the Federated States of Micronesia.
