A RESOLUTION

Expressing the sense of the Congress of the Federated States of Micronesia that the FSM Bank should not accept land as collateral for loans.

1. WHEREAS, land is a precious and finite resource in the Federated States of Micronesia; and
2. WHEREAS, land is traditionally held by members of one family for many generations with the land held in sacred trust by one generation for the next; and
3. WHEREAS, throughout the Pacific foreigners have used many types of deceit and trickery to deprive people of their land; and
4. WHEREAS, the traditional value and use of land and the need to protect our citizens from unscrupulous foreigners is recognized in the Constitution of the Federated States of Micronesia with the prohibition against a non-citizen acquiring title to land; and
5. WHEREAS, the transition to a cash economy and the accompanying imposition of new values threatens our traditional ways by encouraging citizens to borrow money by using their land as collateral; and
6. WHEREAS, the securing of loans with land encourages citizens to risk their ancestral lands for the transitory pleasures acquired with money; and
7. WHEREAS, the FSM Bank, a company partially owned by non-citizens, proposes loaning money when citizens use their land as collateral; and
8. WHEREAS, the proposed actions of the FSM Bank are contrary to the traditional values of our society and are contrary to the spirit of the constitutional prohibition against non-citizens owning land; now, therefore,
9. BE IT RESOLVED by the Fourth Congress of the Federated States of Micronesia, Second Regular Session, 1985, that it is the sense of the Congress of the Federated States of Micronesia that the use of land as collateral
for loans is detrimental to the retention of our heritage; and

BE IT FURTHER RESOLVED that the FSM Bank is hereby requested to
explain to Congress the loan policies of the Bank and the legality of
those policies; and

BE IT FURTHER RESOLVED that a certified copy of this resolution
be transmitted to Mr. Fred Ramp, legal counsel to the FSM Bank.

Date: Oct. 23, 1975
