A BILL FOR AN ACT

To amend title 22 of the Code of the Federated States of Micronesia by adding a new chapter 6 to provide for the export inspection of edible plant products produced within the Federated States of Micronesia to assure high product quality, and for other purposes.

BE IT ENACTED BY THE CONGRESS OF THE FEDERATED STATES OF MICRONESIA:

Section 1. Title 22 of the Code of the Federated States of Micronesia is hereby amended by adding a new section 601 of chapter 6 to read as follows:

"Section 601. Short title. This act is known and may be cited as the 'Export Quality Control Act of 1988.'"

Section 2. Title 22 of the Code of the Federated States of Micronesia is hereby amended by adding a new section 602 of chapter 6 to read as follows:

"Section 602. Requirement of inspection permit. No person shall export, or attempt to export for resale, any edible plant product produced within the Federated States of Micronesia, without having obtained a permit from the Division of Agriculture of the Department of Resources and Development of the Federated States of Micronesia. Willful violation of this requirement shall constitute a misdemeanor punishable by imprisonment of not more than 1 year or by a fine of not more than $10,000, or both."

Section 3. Title 22 of the Code of the Federated States of Micronesia is hereby amended by adding a new section 603 of chapter 6 to read as follows:

"Section 603. Inspection procedure. Upon application for an export permit described in section 602 of this chapter, the Division of Agriculture of the Department of Resources and Development of the
Federated States of Micronesia shall conduct an inspection of the lot of edible food products intended for export and shall determine whether the lot meets or exceeds the standards of quality established by regulation promulgated under the authority of this chapter."

Section 4. Title 22 of the Code of the Federated States of Micronesia is hereby amended by adding a new section 604 of chapter 6 to read as follows:

"Section 604. Authority to prescribe regulations. The Secretary of the Department of Resources and Development of the Federated States of Micronesia shall have authority to promulgate, upon consultation with persons interested and knowledgeable in the exportation of edible plant products for resale, appropriate regulations prescribing the form and content of the application for an export permit, the form of the export permit, the class of plant products subject to the requirement of inspection, the method of inspection, including inspection by sample, and the standards of quality for particular edible plant products to be exported for resale."

Section 5. Title 22 of the Code of the Federated States of Micronesia is hereby amended by adding a new section 605 of chapter 6 to read as follows:
"Section 605. Authority to set fees for inspections. The Secretary of the Department of Resources and Development of the Federated States of Micronesia shall have the authority to promulgate regulations setting a reasonable fee for grant of an export permit which fee shall vary in direct proportion to the value, weight, or amount of the affected lot, as the Secretary shall prescribe."

Section 6. This act shall become law upon approval by the President of the Federated States of Micronesia or upon its becoming law without such approval.
