
A RESOLUTION

Requesting the President of the Federated States of Micronesia and the Governors of the four States to consider the economic and social development of the Nation as a whole in making a more equitable distribution of foreign aid, especially from Japan.

1 WHEREAS, there are areas and regions within the Nation and
2 the States which have not reached the same level of economic and
3 social development as other areas and regions; and

4 WHEREAS, the people of these economically and socially
5 disadvantaged areas and regions are citizens of the Federated States
6 of Micronesia, and, therefore, are entitled to the same standards of
7 living as all other citizens; and

8 WHEREAS, the National and State Governments have an obligation
9 to develop the Nation and the States as a whole so those areas which
10 are economically and socially disadvantaged will be able to attain a
11 standard of living more comparable to the rest of the Nation; now,
12 therefore,

13 BE IT RESOLVED by the Sixth Congress of the Federated States of
14 Micronesia, Third Regular Session, 1990, that the Congress hereby
15 requests the President of the Federated States of Micronesia and the
16 Governors of the four States to consider the need to improve the
17 economic and social development of the Nation as a whole in order to
18 make a more equitable distribution of foreign aid, especially from
19 Japan; that the 5 year development plan be consulted as a guide
20 for such distribution; and that the foreign aid distribution have as
21 its goal rectifying the current relative economic and social
22 inequities in areas and regions of the Nation and the States; and
