

A RESOLUTION

Urging the President to search for alternate medical referral locations in light of the number of citizens of the Federated States of Micronesia that are unable to receive necessary and appropriate medical treatment at the currently designated overseas medical facilities.

1           WHEREAS, a number of citizens of the Federated States of  
2 Micronesia suffer from serious injury or disease that  
3 necessitate they be referred outside of the country to a  
4 medical facility that has the necessary and appropriate medical  
5 resources and professionals to fully treat the individual's  
6 condition; and

7           WHEREAS, many of these same citizens of the Federated  
8 States of Micronesia in need of medical referral outside of the  
9 country are unable to be referred to the currently designated  
10 overseas medical facilities; and

11           WHEREAS, the health and welfare of the people of the  
12 Federated States of Micronesia is of primary concern to its  
13 government; and

14           WHEREAS, numerous alternate overseas medical facilities  
15 exist in our region, including several possible medical  
16 facilities in China; now, therefore,

1           BE IT RESOLVED by the Seventeenth Congress of the  
2 Federated States of Micronesia, First Special Session, 2011,  
3 that the Congress hereby urges the President to search for  
4 alternate overseas medical referral locations, including those  
5 appropriate medical facilities in China, for referral of  
6 citizens of the Federated States of Micronesia suffering from  
7 serious injury or disease that necessitate such referral; and

8           BE IT FURTHER RESOLVED that a certified copy of this  
9 resolution be transmitted to the President of the Federated  
10 States of Micronesia.
